The York River Symphony Orchestra is a peninsula-based community orchestra of professional and amateur musicians, who for many reasons have joined together to perform. Each year we present a four concert series, and occasional extra performances for special events. One of our extended goals is to showcase talented young musicians, and give them a chance to perform with a symphony orchestra.

The purpose of this letter is to request your help in passing information about the Competition on to qualified musically-talented students that you teach or know. The competition is open to students ages 12- 21 who live or study in the Hampton Roads area. We encourage talented, interested string (including guitar), woodwind, brass, percussion, or vocal students to apply. A flyer, rules and procedures, and an application form can be downloaded from the competition section of the orchestra website www.yrso.org/YACC . Click on "Documents and Forms."

Music teachers: please copy the information sheet with competition rules and procedures and the application form, and distribute these to interested students you recommend; write an appropriate letter of reference for those who choose to apply. Interested applicants: please download and print the above-mentioned forms, and ask your teacher in December to write the recommendation. **Mail materials by January 5th** please. The deadline for receipt of the application form, teacher recommendation letter and check to YRSO for \$25 is January 9th, 2023. Please make sure anything arriving by US Mail is postmarked on or before January 5th. My home address is on application form.
